

INTER-INSTITUTIONAL AGREEMENT PROTOCOL

As being higher education institutions having signatures below, we have agreed on collaborating between our institutions in order to enhance current academic curriculum and develop new lectures and programmes.

As being institutions agreed on enhancing current academic curriculum and developing new lectures and programmes, we plan to undertake the following activities:

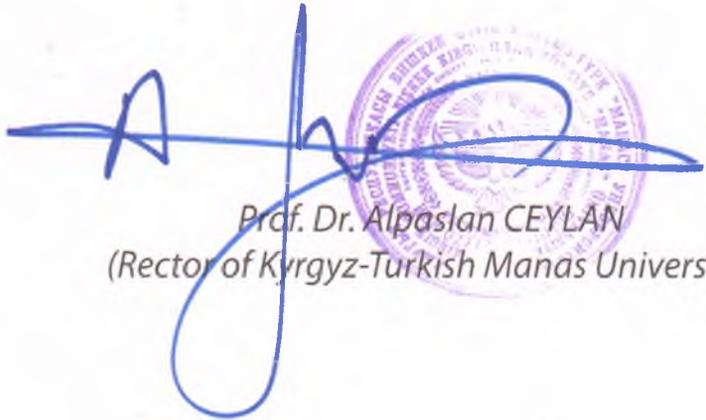

- To enhance current academic curriculum
- To develop new lectures and programmes
- To exchange academic staff and students
- To share facilities located within the campus and belong to the higher education Institutions
- To develop common online lectures

These activities can be carried out with the joint decision of both higher education institutions. All financial issues related to these activities are evaluated at the individual initiative of the institutions. Each part of this protocol carries out the activities determined in this protocol by taking a mutual decision. The institution that does not want to participate in these activities is not obliged to show any justification.

This Protocol has been concluded on the date of 31/05/2022 in two original copies and is valid until the year of 31/05/2027.
